

Floralife Strip-It® Cleaner

liquid between-season cleaner

Floralife Strip-It® Cleaner is an end-of-season cleaner for greenhouse structures and irrigation systems / water storage tanks and sunblock wash.

This product is recommended for end-of-season extreme cleaning of structures / irrigation lines/tanks and whitewash removal to create an optimal environment for new crops being established.

Features and Benefits

- This product is a specifically formulated combination of sulfuric acid and wetting agents that effectively and safely remove whitewash coatings, organic sludge, heat-set grease / oil / dirt, calcium and other hard water deposits.

Directions for Use

Follow the instructions on the product label.

Available in 5 and 30 U.S. gallon liquid containers.
